RELEVANT EXPERIENCE

SOFTWARE ENGINEERING INTERN
BuzzFeed | Summer 2019

- Built and launched front-end for a new internal tool to help editorial staff change BuzzFeed's navigation bar and direct 50 million+ monthly users towards trending topics
- Took initiative to assist team Product Manager by shadowing, writing company-wide documentation for new internal tool, and presenting tool to stakeholders
- Made trade-off decisions to optimize for accessibility across BuzzFeed's UI in two-week agile sprints
- Lead and organized events for 200+ NYC interns and a Women in Tech Q+A for Girls Who Code students

TEACHING ASSISTANT
Girls Who Code | Summer 2018 and 2017

- Over two summers, empowered 40 high school girls through computer science education for Girls Who Code's Summer Immersion Program
- Mentored girls through helping to design, build, and present their final web development projects
- Organized networking events and activities with partners at Goldman Sachs in 2017 and Accenture in 2018

STRATEGY AND INNOVATION INTERN
Girls Who Code | Summer 2016

- Compiled over 50 articles and wrote 30-page extensive report on the history of female "bravery and perfection" for CEO Reshma Saujani
- Helped to gather and provide UX feedback for early iterations of the Girls Who Code Loops application

ADDITIONAL EXPERIENCE

MARKETING INTERN
New Georges Theater Company | Summer 2018

- Designed, wrote, and promoted marketing materials for #OneMoreConversation campaign, advocating for more women in theater management and direction

THEATER TECHNICIAN
Bryn Mawr College | Spring 2017 - Present

- Leading and teaching teams to use power tools, assemble lighting plots, and build set pieces
